Check-In Procedures - TEAMS FROM UNITED STATES

The only documents required for upload to GotSoccer are: **Official team roster or Player Cards, Guest Player Release Forms, and online Covid-19 Symptom-Free Waiver completed.**

US teams are to have a photo (in GotSoccer - required) and a birth certificate and medical release form (available on-site if requested) for each player available at each tournament game. If the Tournament Committee requests these documents at any time during the event, they must be available to avoid possible forfeiture of your game(s). If you have questions about what paperwork/documents you need for check-in and during the tournament, please email the Tournament Director – checkin.supercopa@u90c.com

To encourage social distancing, all teams from the United States will be required to check-in online.
