Premier SuperCopa has two Dallas Police Department off-duty officers working the event for traffic control on Walnut Hill and for MoneyGram Soccer Park.

In the overflow lot, Premier SuperCopa will have one greeter at the shuttle stop, and two attendants assisting in organization of attendees at the overflow parking lot.

There are 4 minibuses scheduled to shuttle patrons from the overflow lot to the park. The current shuttle route utilizes Spangler Rd, and has one drop-off/pickup point within the park, near field 8 (see map). We aim to have no more than 10 minutes between shuttles. Both the overflow lot and the stop within MoneyGram Park will have a greeter to assist in getting people on/off the shuttles. Please look for directional signage as well.
